

Request for groups of more than 4 people

For reasons of space, variety of proposals, access and layout of the kitchen, our Bistrot cannot accommodate tables for more than 4 people in the same time slot.

This condition is a job choice and above all the reason for our happiness.

Rarely, and not with few inconveniences, we can offer an alternative to our usual way of proposing ourselves, recommending a path that leads us to suggest, to our guests, impositions that are not usual for us.
